Alexander Hamilton Bridge and Ramp Rehabilitation
NYSDOT Project D260888

To Whom It May Concern:

The service and dependability of Jean-Pierre Belmont and American Arminox Company in the timely fabrication and delivery of over 1.5 million pounds of Stainless Steel Rebar has been a major contribution to the successful completion of our \$420 million project.

It is with sincere honesty that I can state the professionalism, quality of product, helpfulness and timely resolution of a very few issues by American Arminox Company has made our relationship a pleasure. I will not hesitate to engage Mr. Belmont in any future needs for Stainless Steel products.

Sincerely,
CCA Civil Halmar International, A Joint Venture
